Brown Stadium
The following Medical Emergency Action Plan will be posted at Brown Stadium at appropriate locations near telephones.

BROWN UNIVERSITY
MEDICAL EMERGENCY ACTION PLAN
BROWN STADIUM

1. Assess situation, establish level of consciousness, extent of injuries

2. (A) CALL 401-863-4111 (B) 3-4111 from a campus phone (C) From a blue light emergency telephone, press the RED emergency button and phone will automatically dial Public Safety

Blue light emergency telephones are located:
   o At entrance gates on Elmgrove Avenue
   o In dugout on Brown home sideline

The Dispatcher will need the following information:
   a. NAME & TELEPHONE NUMBER OF CALLER
   b. CONDITION OF INJURED PERSON
   c. TREATMENT INITIATED BY FIRST RESPONDER
   d. SPECIFIC LOCATION OF INJURED PERSON (SEE DIRECTIONS)

DIRECTIONS: Instruct EMS to come to Brown Stadium entrance on Elmgrove Avenue. Once inside main gate, drive to gate at left side of parking lot. Take an immediate right once through gate, proceed 100 yards and then drive into stadium through gate on the right of the scoreboard.

3. AED LOCATIONS:
   o During football games, there is a mobile critical care unit on-site with advanced life support (ALS)/emergency medical technician (EMT) personnel located to the right of the scoreboard near the NE entrance to the playing field. If this ambulance is busy with a patient, follow the procedure above.
   o An AED is available for athletic trainers covering home games or meets.

4. Send someone to meet EMS at the entrance to Brown Stadium on Elmgrove Avenue.

MEDICAL EMERGENCY CONTACT NUMBERS
For any emergency call Brown Public Safety 401-863-4111
Erin Variano – Head Football Athletic Trainer 401-528-9064 (cell) 401-863-3851 (Office)
John Furtado, Director of Sports Medicine 609-240-5855 (cell) 401-863-3851 (Office)
Main Athletic Training Room – OMAC 401-863-3851
Brown University Student Health Services 401-863-3953
Rhode Island Hospital Emergency Room 401-444-4000
• **Location:** Brown Stadium  
  **Sport:** Football, Men’s & Women’s Track and Field, or any sport using this facility  
  **Event:** Practice, game, or meet  
  **Nearest AED Location:** If available, with Brown sports medicine staff or with EMS unit if on site.

If on site, a Certified Athletic Trainer and Team Physician will assess the situation and initiate Basic Life Support (BLS) and emergency First Aid (FA) procedures. If a Certified Athletic Trainer is not on site, the coach (first responder) will assess the situation and initiate BLS procedures.

EMS will be notified by a Certified Athletic Trainer, coach, or facilities event coordinator by using a cellular phone or blue light emergency telephone, which is located on Elmgrove Avenue at the entrance gates to the stadium. EMS will be instructed to come to the Stadium and enter into the main parking lot on Elmgrove Avenue. They will then drive to the left side of the parking lot and enter the stadium area through the large gate. They will take an immediate right and follow the access road until it bears left and enter through the gate to the right of the scoreboard. If available, a member of the health-care team, coaching staff, or facilities event coordinator will meet the EMS unit near the entrance gate on Elmgrove Avenue and direct them onto the field where the injured student-athlete is being attended. At a football game or other event, if there is a mobile critical care unit on site with Advanced Life Support (ALS)/Emergency Medical Technician (EMS) personnel, they will be located on the track to the right of the scoreboard. EMS personnel will be notified by way of direct verbal or visual communication between the on-site EMS unit and a Certified Athletic Trainer. EMS personnel will be directed to where the injured student-athlete is being attended.

If present, event management and security staff personnel will be responsible for crowd control to allow EMS access to and from all gates surrounding the field and stadium. A Team Physician, Certified Athletic Trainer, or coach will accompany the injured student-athlete to Rhode Island Hospital ER or Miriam Hospital ER. The location to which the athlete will be transported is at the discretion of EMS or the attending Team Physician. The Director of Sports Medicine will be notified of the present situation at 401-440-9519. The Director of Sports Medicine will notify the Team Physician or a member of his staff at University Orthopedics at 401-457-1538 or through central paging at 401-444-5108. Brown Student Health Services will be notified on the present situation at 401-863-3953.

Coordination of medical information and details with parents, family, or other appropriate persons will be made in the OMAC Athletic Training Room with the landline at 401-863-3851 by the Staff Certified Athletic Trainers. Uses and disclosures of this information is subject to the
Family Educational Rights and Privacy Act (FERPA) and the Rhode Island Confidentiality of Health Care Communications and Information Act and shall be released only to those individuals/organizations to which the student-athlete has granted consent unless an exception exists for use and disclosure without consent.

**Erickson Athletic Complex Fields**
The following Medical Emergency Action Plan will be posted at the Erickson Athletic Complex at appropriate locations near telephones.

**MEDICAL EMERGENCY CONTACT NUMBERS**

For any emergency call Brown Public Safety 401-863-4111
John Furtado, Director of Sports Medicine 609-240-5855 (cell) 401-863-3851 (Office)
Main Athletic Training Room – OMAC 401-863-3851
Brown University Student Health Services 401-863-3953
Rhode Island Hospital Emergency Room 401-444-4000
The coach (first responder) will assess the situation and initiate Basic Life Support procedures.

EMS will be notified by the crew coach using a cellular phone or landline in the boathouse.

EMS will be instructed to come to the Marston Boathouse by traveling south on Gano Street. Go under the 195 bridge and make a left on Brown Boathouse Drive. The boathouse is located on the left at the end of the road. The gate will be opened and a member of the coaching staff will meet the EMS unit at the gate at the entrance to the boathouse. The EMS unit will be directed to the location where the injured student-athlete is being attended. The coaching staff will be responsible for crowd control to allow EMS access to and from all gates surrounding the boathouse. If available, a coach will accompany the injured student-athlete to Rhode Island Hospital ER or Miriam Hospital ER.

The Director of Sports Medicine will be notified of the present situation at 401-440-9519. The Director of Sports Medicine will notify the Team Physician or a member of his staff at University Orthopedics at 401-457-1538 or through central paging at 401-444-5108. Brown Student Health Services will be notified of the present situation at 401-863-3953.

Coordination of medical information and details with parents, family, or other appropriate persons will be made in the OMAC Athletic Training Room with the landline at 401-863-3851 by the Staff Certified Athletic Trainers. Uses and disclosures of this information is subject to the Family Educational Rights and Privacy Act (FERPA) and the Rhode Island Confidentiality of Health Care Communications and Information Act and shall be released only to those individuals/organizations to which the student-athlete has granted consent unless an exception exists for use and disclosure without consent.
The coach (first responder) will assess the situation and initiate Basic Life Support procedures.

The coach will notify EMS by calling 911 for sites 2-5 and 7-8; and 401-863-4111 for sites 1 and 6, by using a cellular phone or landline as appropriate (see site list below).

EMS will be instructed to come to the Marston Boathouse or one of seven other sites on the Seekonk River/Narragansett Bay as appropriate depending on the location of the injured student-athlete at the time. The Crew coach (first responder) will decide on which site to have EMS respond.

The sites are:

1. **Marston** (Brown University) **Boathouse**: 258 India Street, Providence, RI 02903 – Call 401-863-4111 – Meet EMS at dock
2. **The Squantum Association**: 947 Veterans Memorial Pkwy., E. Providence, RI 02915 – Call 911 – Meet EMS at Squantum Beach
3. **Edgewood Yacht Club**: 3 Shaw Avenue, Cranston, RI 02905 – Call 911 – Meet EMS at fuel dock
4. **Rhode Island Yacht Club**: 1 Ocean Avenue, Cranston, RI 02905 – Call 911 – Meet EMS at bottom of ramp to docks
5. **Sabin Point Park Dock**: Shore Road (off Bullock’s Point Avenue), E. Providence, RI 02915 – Call 911 – Meet EMS at dock
6. **Narragansett Boat Club**: 2 River Road, Providence, RI 02906 – Call 401-863-4111 – Meet EMS at dock
7. **Phillipsdale Landing**: 310 Bourne Avenue, Rumford, RI 02916 – Call 911 – Meet EMS at dock
8. **Parent’s Marina**: Tim Healy Way, Pawtucket, RI 02860 – Call 911 – Meet EMS at dock

All gates will be opened and a member of the coaching staff will meet the EMS unit on shore at the entrance to the selected site. The EMS unit will be directed to where the injured student-athlete is being attended. A coach will accompany the injured student-athlete to Rhode Island Hospital ER or Miriam Hospital ER.

The Director of Sports Medicine will be notified of the present situation at 401-440-9519. The Director of Sports Medicine will notify the Team Physician or a member of his staff at University Orthopedics at 401-457-1538 or through central paging at 401-444-5108. Brown Student Health Services will be notified of the present situation at 401-863-3953.

Coordination of medical information and details with parents, family, or other appropriate persons will be made in the OMAC Athletic Training Room with the landline at 401-863-3851 by the Staff Certified Athletic Trainers. Uses and disclosures of this information is subject to the Family Educational Rights and Privacy Act (FERPA) and the Rhode Island Confidentiality of...
Health Care Communications and Information Act and shall be released only to those individuals/organizations to which the student-athlete has granted consent unless an exception exists for use and disclosure without consent.

Designated areas South of Brown Boathouse

Designated areas North of Brown Boathouse
The following Medical Emergency Action Plan will be posted at Marvel Field at appropriate locations near telephones.

BROWN UNIVERSITY
MEDICAL EMERGENCY ACTION PLAN
MARVEL FIELD

1. Assess situation, establish level of consciousness, extent of injuries

2. (A) CALL 401-863-4111 (B) 3-4111 from a campus phone (C) From a blue light emergency telephone, press the RED emergency button and phone will automatically dial Public Safety

Blue light emergency telephones are located:

- **Location:** Pizzitola – Third Floor (Squash Pavilion and Wrestling Practice Room)
  **Sport:** Men’s and Women’s Squash and Wrestling
- **Location:** Pizzitola – Fourth Floor (Indoor Tennis Courts)
  **Sport:** Men’s and Women’s Tennis
  **Event:** Practices or game
  **Nearest AED Location:** AED is located on first floor in the hallway leading to the team locker rooms in a wall cabinet to the left of the campus phone. Campus phone is on wall directly across from wrestling locker room.

If on site, a Certified Athletic Trainer will assess the situation and initiate Basic Life Support (BLS) and emergency First Aid (FA) procedures. If a Certified Athletic Trainer is not on site, the coach (first responder) will assess the situation and initiate BLS procedures.

EMS will be notified by a Certified Athletic Trainer, coach, or facilities event coordinator by using a cellular phone, campus phone, or blue light emergency telephone located outside in front of the Pizzitola Sports Center. Instruct EMS to come to the Pizzitola Sports Center located in the Erickson Athletic Complex at 235 Hope Street. They will access the building from Lloyd Avenue. There is a vehicle entrance and parking lot on the East side of the building. EMS will park at the end of the driveway and come in through the side entrance. If available, a member of the health-care team, coaching staff (staff athletic trainer or coach), or facilities event coordinator will meet EMS on the first floor of the Pizzitola Sports Center at the side entrance and direct them to where the injured student-athlete is being attended.

A Certified Athletic Trainer or coach will accompany the injured student-athlete to Rhode Island Hospital ER or Miriam Hospital ER. If present, a facilities event coordinator will be responsible for crowd control to allow EMS access to the injured student athlete. The Director of Sports Medicine will be notified of the present situation at 401-440-9519. The Director of Sports Medicine will notify the Team Physician or a member of his staff at University Orthopedics at 401-457-1538 or through central paging at 401-444-5108. Brown Student Health Services will be notified of the present situation at 401-863-3953. Coordination of medical information and details with parents, family, or other appropriate persons will be made in the OMAC Athletic Training Room with the landline at 401-863-3851 by the Staff Certified Athletic Trainers. Uses and disclosures of this information is subject to the
Family Educational Rights and Privacy Act (FERPA) and the Rhode Island Confidentiality of Health Care Communications and Information Act and shall be released only to those individuals/organizations to which the student-athlete has granted consent unless an exception exists for use and disclosure without consent.

**Sailing**

- **Location:** Edgewood Yacht Club: 3 Shaw Avenue, Cranston, RI 02904
  - **Sport:** Sailing
  - **Event:** Practice or contest
  - **Nearest AED Location:**

The sailing coach (first responder) will assess the situation and initiate Basic Life Support (BLS) procedures.

The coach will notify EMS by calling 911 for sites 2-5 and 7-8; and 401-863-4111 for sites 1 and
6 using a cellular phone or landline as appropriate (see site list below).

EMS will be instructed to come to the Edgewood Yacht Club, 3 Shaw Avenue, Cranston, RI 02905 or one of seven other sites on Narragansett Bay as appropriate depending on the location of the injured student-athlete at the time. The Sailing coach (first responder) will decide on which site to have EMS respond.

The sites are:
1. **Marston** (Brown University) **Boathouse:** 258 India Street, Providence, RI 02903 – Call 401-863-4111 – Meet EMS at dock
2. **The Squantum Association:** 947 Veterans Memorial Pkwy., E. Providence, RI 02915 – Call 911 – Meet EMS at Squantum Beach
3. **Edgewood Yacht Club:** 3 Shaw Avenue, Cranston, RI 02905 – Call 911 – Meet EMS at fuel dock
4. **Rhode Island Yacht Club:** 1 Ocean Avenue, Cranston, RI 02905 – Call 911 – Meet EMS at bottom of ramp to docks
5. **Sabin Point Park Dock:** Shore Road (off Bullock’s Point Avenue), E. Providence, RI 02915 – Call 911 – Meet EMS at dock
6. **Narragansett Boat Club:** 2 River Road, Providence, RI 02906 – Call 401-863-4111 – Meet EMS at dock
7. **Phillipsdale Landing:** 310 Bourne Avenue, Rumford, RI 02916 – Call 911 – Meet EMS at dock
8. **Parent’s Marina:** Tim Healy Way, Pawtucket, RI 02860 – Call 911 – Meet EMS at dock

All gates will be opened and a member of the coaching staff will meet the EMS unit on shore at the entrance to the selected site. The EMS unit will be directed to where the injured student-athlete is being attended. A coach will accompany the injured student-athlete to Rhode Island Hospital ER or Miriam Hospital ER.
The Director of Sports Medicine will be notified of the present situation at 401-440-9519. The Director of Sports Medicine will notify the Team Physician or a member of his staff at University Orthopedics at 401-457-1538 or through central paging at 401-444-5108. Brown Student Health Services will be notified of the present situation at 401-863-3953. Coordination of medical information and details with parents, family, or other appropriate persons will be made in the OMAC Athletic Training Room with the landline at 401-863-3851 by the Staff Certified Athletic Trainers. Uses and disclosures of this information is subject to the Family Educational Rights and Privacy Act (FERPA) and the Rhode Island Confidentiality of Health Care Communications and Information Act and shall be released only to those individuals/organizations to which the student-athlete has granted consent unless an exception exists for use and disclosure without consent.

Golf

- **Location:** Rhode Island Country Club – 150 Nyatt Road, Barrington RI 02806 (401-245-7370, Kyle Phelps Head Pro)
  
  **Sport:** Women’s Golf
  
  **Event:** Practice or contest
  
  **Nearest AED Location:** AEDs are located in the clubhouse next to the main offices

The Golf coach (first responder) will assess the situation and initiate Basic Life Support (BLS) procedures.

Rhode Island Country Club has two AEDs on the property. They are both located in the
clubhouse. One is on the basement level in the hallway on the wall outside of the maintenance area across from the men’s locker room. The second AED is located on the first floor in the solarium by the member telephone room.

Two phones are located on the golf course. These are regular business phones and not emergency call box phones. One phone is located at the halfway house and one phone at the maintenance barn.

The coach will notify EMS by calling 911 using a cellular phone or landline as appropriate.

EMS will be instructed to come to Rhode Island Country Club’s main entrance on 150 Nyatt Road. A team member or country club staff person will meet the EMS unit at entrance to the Clubhouse and will direct them to the injured student-athlete. The EMS unit will drive to a location on the golf course closest to where the injured student-athlete is being attended.

A coach will accompany the injured student-athlete to the hospital. The hospital will be chosen by the EMS staff. The Director of Sports Medicine will be notified of the present situation at 401-440-9519. The Director of Sports Medicine will notify the Team Physician or a member of his staff at University Orthopedics at 401-457-1538 or through central paging at 401-444-5108. Brown Student Health Services will be notified of the present situation at 401-863-3953.

Coordination of medical information and details with parents, family, or other appropriate persons will be made in the OMAC Athletic Training Room with the landline at 401-863-3851 by the Staff Certified Athletic Trainers. Uses and disclosures of this information is subject to the Family Educational Rights and Privacy Act (FERPA) and the Rhode Island Confidentiality of Health Care Communications and Information Act and shall be released only to those individuals/organizations to which the student-athlete has granted consent unless an exception exists for use and disclosure without consent.

Golf

- Location: Wannamoisett Country Club – 96 Hoyt Ave, Rumford, RI 02916 (401-434-1200, Brad McCluski Golf Pro)
  - Sport: Women’s Golf
  - Event: Practice or contest
  - Nearest AED Location: AEDs are located in the clubhouse grille bar and 12th hole

The Golf coach (first responder) will assess the situation and initiate Basic Life Support (BLS) procedures.

Wannamoisett Country Club has two AEDs on the property. There is one located in the Clubhouse and a second 12th hole shack. AED 1 across from grille bar in clubhouse near patio exit. AED 2 is located by the door at the 12th hole.

There are no phones located on the golf course. However, holes 1, 2, 3, 10, and 18 are within a Two-minute walk from the clubhouse which has 4 different phone locales. Additionally, there is one phone in the maintenance building on hole 2.

The coach will notify EMS by calling 911 using a cellular phone or landline as appropriate.
EMS will be instructed to come to Wannamoisett Country Club at Hoyt Ave in Rumford where a team member or country club staff person will meet the EMS unit at the entrance and will direct them to the injured student-athlete. The EMS unit will drive to a location on the golf course closest to where the injured student-athlete is being attended.

A coach will accompany the injured student-athlete to the hospital. The hospital will be chosen by the EMS staff.

The Director of Sports Medicine will be notified of the present situation at 401-440-9519. The Director of Sports Medicine will notify the Team Physician or a member of his staff at University Orthopedics at 401-457-1538 or through central paging at 401-444-5108. Brown Student Health Services will be notified of the present situation at 401-863-3953.

Coordination of medical information and details with parents, family, or other appropriate persons will be made in the OMAC Athletic Training Room with the landline at 401-863-3851 by the Staff Certified Athletic Trainers. Uses and disclosures of this information is subject to the Family Educational Rights and Privacy Act (FERPA) and the Rhode Island Confidentiality of Health Care Communications and Information Act and shall be released only to those individuals/organizations to which the student-athlete has granted consent unless an exception exists for use and disclosure without consent.
